Staff Benefits

Nakiska Ski Resort is one of the smaller resorts in the RCR line up. As an employee of Nakiska, you enjoy the benefits of the care and attention that you receive in a smaller location combined with the benefits, such as skiing and widespread discounts.

Nakiska employees, like all other RCR employees, enjoy a variety of discounts at all RCR resorts. That's right, show your staff identification at any of the four Western Canadian resorts and you will receive great discounts on gear, rentals, subsidized accommodation, staff parties and events and don't forget the fantastic season file pass.

Nakiska Ski Resort staff receive a season pass allowing them free skiing at any of the ski resorts that RCR owns in addition to several ski resorts in Western Canada with whom we have reciprocal agreements with. Some employees have skied at over 10 ski resorts in Western Canada for free during their winter employment at Nakiska.
